

Did you know?
1 in 6 Americans struggle with
hunger and 49 million
Americans struggle to put food
on the table.
Food insecurity exists in every
county in America.

**GOS is excited to team up with HP to help
support our local food banks
during this holiday season.**

Simply buy HP ink or toner between now and
Oct. 31, 2018 and we'll donate to a local food bank.

For every \$1 donated, two meals are provided to someone in your
community.

**** Qualifying Products: Any HP ink or toner beginning with "HEW"
in the item number.**

- At least \$300 in HP ink and/or toner, we will donate \$15, enough for 20 meals.
- More than \$500 in HP ink and/or toner, we will donate \$25, enough for 50 meals.

It is that simple. You buy HP, we take care of the donation and we'll all
come together to help stamp out hunger in the U.S.
